REPLY

In reply to the action mailed January 2, 2003, Applicant draws attention to a defect in the office action.

The office action addresses only claim 1. However, a preliminary amendment filed on October 18, 2002 added new claims 2-20. According to PAIR, this preliminary amendment was received on October 23, 2002, over two weeks before the application was docketed for examination on November 8.

Applicant requests that that a new office action be issued to address all pending claims and that, consistent with MPEP 710.06, the response period be re-started to run from the mailing date of the newly issued office action.

No fees are believed to be due in connection with this reply. However, to the extent a fee is due, please adjust our Deposit Account No. 06-1050 referencing attorney docket number "09651-012002."

Respectfully submitted,
